

Is Affordable Housing Important to Your Community?

Choanoke Area Housing Consortium Housing Needs Assessment Community Input Sessions

The newly established **Choanoke Area Housing Consortium**, consisting of Bertie, Halifax, Hertford, Martin and Northampton counties and most municipalities, is conducting a series of community events to gather resident feedback related to the affordable housing needs in our region. Community feedback will help prioritize the uses of the federally-funded HOME Investment Partnership Program (HOME) program. These funds will be provided, starting this year, annually through the US Department of Housing and Urban Development (HUD). The Consortium’s intent is to build a comprehensive local housing strategy that serves as a guiding framework to help increase affordable housing options – HUD refers to this strategy as a Consolidated Plan.

Public input is a critical part of developing the Consolidated Plan. You are invited to participate in one of our five upcoming community input sessions to learn about the process and to provide your input for the current needs assessment.

Martin County

Monday, February 27, 2023

5:30 – 7:00pm

Moratoc Park
