NEW BUSINESS and DISCUSSION

We have discussed judging businesses for Christmas Holiday.

Is this something our committee is still interested in?

What would our Goal be?

Judging the decorations as per set criteria by the committee.

Community pride, and involvement.

Collaboration with the city group.

Would September be too late to plan this?

If a subcommittee could organize some ideas and collaborate with Christina Caudle.

Volunteered to help with the subcommittee.

Regular meeting moved to September 11. 5:30

Mrs. Bryant was extremely complimentary of the service provided through public works regarding violations. Public works has been extremely responsive in helping fix the problem.

Memorial Pond, someone was fishing. Response should be to call the police.

The fountain in the pond is under construction.

A pump has gone bad. If it is not under warranty we will look to get a new system.

The city will most likely pay for the new pump.

If we still have funding - 1500. ? Money is frozen.

We would just have to submit what we want. The finance director can handle .

Ensure we are good stewards of our funding and spend our allotted amount in the appropriate time.
